

**HEARING AND SPEECH CENTER**

a non-profit clinic, school & community

## Hearing Education and Rehabilitation: Assistive Listening Device Series

Taught by Clinical Audiologists from The Hearing and Speech Center and representatives from Assistive Listening Device Manufacturers

For more information, contact us at 415-921-7658.

**Hearing Education And Rehabilitation**

Join us for **HEAR U**, a series of four classes, provided by Audiologists at the Hearing and Speech Center.

### **GET HANDS-ON WITH ALDs!**

Come in to learn about Assistive Listening Device (ALD) technology. Each week will feature a representative from one of the leading ALD manufacturers who will provide hands-on demonstrations of technology that helps you in hard-to-hear situations.

#### **HEAR U -Made for ALD Session Information:**

1. Caption phones presented by CapTel.
2. One to One communication and FM systems presented by Comfort Audio
3. Hearing aid accessories presented by Oticon
4. TV, alarms, amplified phones and more presented by Dr. Tracy Peck
